

COMMUNION SERVER MINISTRY SCHEDULE

Please be familiar with these GUIDELINES:

1. Prepare your heart in advance as you serve the Communion elements – remember this is a significant ministry in the worship of God
2. For those serving at the 8:30AM service: The servers covering the far right and far left aisles (when facing the platform) will also serve the worship team members on the platform. When you get to the rear of the worship center after serving the congregation, wait for the music to end; *then* return to the front. Servers 1L and 5R then go on the platform to serve the worship team.
3. The server who covers the center aisle is the “lead” server. Immediately after everyone is served (2nd service: do not wait for music to stop), the lead server should initiate returning to the front of the sanctuary. The other servers should look to the lead server for their cue on when to return to the front.
4. The Lord’s Supper is an important observance. Attire should fit the “semi-dress” standard (also referred to as “business casual”). A sport coat or suit and necktie are also appropriate but not mandatory. Blue jeans, shorts, T-shirts or sandals are generally not considered appropriate dress for servers.
5. For each service there will be two servers asked to pray a prayer of thanksgiving following the distribution of the bread and cup. The prayer should be offered immediately after the bread (or cup) has been partaken of. When praying for the bread or cup, it is important to speak loud enough so that all may hear. In this regard, it may be helpful to turn and face the congregation.
6. If you are unable to serve on a particular day, **FIRST** please make an effort to switch with someone or find an alternate substitute from the Communion roster. Once you have found a substitute, **PLEASE MAKE SURE TO LET ME KNOW**. If you are unable to find a substitute, please let me know that as well. Thanks so much.
