## What is MALI?

We are a service ministry group, made up of people from our church body whom God has called/is calling to the incredible opportunity of sharing the Gospel, by word and deed, with student and community internationals right here in DeKalb/Sycamore; and encouraging internationals who attend our church.

### **Some of Our Goals Include:**

Advancing God's kingdom purposes in the lives of internationals through consistent, focused prayer.

Helping Christ's body be more aware of internationals at NIU and engaged in building connections with them through extending hospitality and acts of service.

Equipping our team and others in our community to effectively communicate the gospel to internationals of different faiths.

Reaching internationals with the gospel and discipling them to become fully devoted followers of Christ.

### **Ways We Serve Internationals**

MALI is committed to serving internationals, by responding as we can to their needs, like providing transportation, extending hospitality, and offering friendship. MALI regularly partners with Network of Nations, a ministry of local churches that engages internationals in our community through a variety of programs. For example, we serve at Intercultural Café, a weekly venue for internationals and Americans to enjoy food and friendship.

### **Leviticus 19:34**

“The stranger who resides with you shall be to you as the native among you, and you shall love him as yourself....I am the LORD your God.”

If you would like to participate in MALI, please fill out the back side of this flap and drop it off in the church office. You may also leave any additional comments and questions in the empty space provided above.
